AMEND Senate Bill No. 3839*

House Bill No. 3638

By deleting subsection (d) of Section 22-1-103 of the amendatory language of SECTION 1 and substituting instead the following:

(d) A person excused from jury service pursuant to this section becomes eligible for qualification as a juror following the period ordered by the court, which period shall not be less than twenty-four (24) months. The county legislative body of any county, may, by majority vote, extend such twenty-four (24) month period. A person is excused from jury service permanently only when the deciding judge determines that the underlying grounds for being excused are of a permanent nature.
